## WHEN PAPA WAS A BOY.

"When papa was a little boy,  
You really couldn't find,  
In all the state of Washington  
A child so quick to mind.  
His mother never called but once,  
And pa was always there;  
He never made the baby cry,  
Or pulled his sister's hair.

"He never slid down banisters,  
Or made the slightest noise;  
And never in his life was known  
To fight with other boys.  
He always studied hard at school,  
And got his lessons right;  
And chopping wood and milking cows,  
Was papa's chief delight.

"He always rose at six o'clock  
And went to bed at eight,  
And never lay abed till noon,  
And never sat up late.  
He finished Latin, French and Greek,  
When he was ten years old,  
And knew the Spanish alphabet  
As soon as he was told.

"He never grumbled when he had  
To do the evening chores,  
And never in all his life forgot  
To shut the stable doors.  
He never, never thought of play,  
Until his work was done;  
He labored hard from break of day  
Until the set of sun.

"He never scraped his muddy shoes  
Upon the parlor floor,  
And never answered back his ma,  
And never banged the door.  
But truly, I could never see,  
Said little Dick Malloy,  
"How he could never do these things,  
And really be a boy!"

There were two additions to the Christian Church Sunday.

Choice, select Spices at Chenoweth's Drugstore. They don't keep the tasteless kind.

One of the strongest evidences of good times was manifested in the large and happy crowd in town yesterday, with plenty of money to spend for circus tickets and such.

Mr. G. M. Tolle, Jr., aged 34, of Manchester, and Miss Jennie Adamson, aged 25, of Carlisle, procured a marriage license here yesterday and went to Covington, where they were married last night.

Judge Newell was the whole thing Sunday. He not only performed the ceremony in each case, but he issued the licenses. The Judge is determined that no one shall be disappointed if he can help it.

A movement is on foot to require property-owners on the South side of Second below Shultz to tap the sewer in front of their residences. The waste slop-water is now run into a surface gutter, and it is a menace to health.

Jim Ford got into a row on Market street last night, in which he cut Mart Crowell with an ugly looking knife. The wound is not dangerous. Consistently Dawson arrested Ford and his hearing is in progress before Squire Grant as THE LEDGER goes to press.

The parishioners and public are informed that Archdeacon McCready of the Diocese of Lexington will visit the Church of the Nativity Sunday next, September 23d, for two services—at 10:30 o'clock morning prayer, sermon and holy communion and at 7 o'clock evening prayer and sermon.

#### THE WALLACE SHOWS.

Witnessed by Two Big Crowds in This City Yesterday.

The great Wallace Shows appeared in this city yesterday afternoon and last evening, and it is no exaggeration to say that every feature that had been advertised was presented to the satisfaction and delight of two immense audiences.

The most valuable recommendation of an entertainment is that written of it subsequent to the performance, and THE LEDGER has no hesitancy in saying that Wallace gives the best entertainment that has appeared under canvas in this city for many years.

In fact, it may be doubted if its equal was ever seen in this section, for the modern circus no longer consists of the tiresome formality of bareback riding and stale jokes.

Certainly the Managers of this aggregation have gotten together the grandest assortment of attractions ever seen under canvas—features that cannot fail to please, and every act devoid of the slightest semblance of coarseness.

The Delameds, the Stirk family, the famous Nelsons—these are but a few of the many star attractions to be found with the Great Wallace Shows, and either one of them is worth the price of admission.

Question Answered.  
Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart Failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by J. C. Pecor.
